Shop till you drop Wednesday 10th September Saturday 12th September

Melbourne is known for it's shopping. Well whilst "they're" away doing their "judging thing" why not a leisurely trip to the "DFO" (Direct Factory Outlet) where all the fabulous names / manufacturers have their outlets, all under the one roof. Then, a trip to Melbourne's "China Town", a banquet Chinese meal and finish off with a sight seeing trip about Melbourne. Duration 5/6 hours.

A visit to the Lucky Shop Wednesday 10th September Saturday 12th September

Crown Casino and Entertainment Complex is full of fun, restaurants for fine dining, exclusive shopping plazas, wall to wall gaming machines and of course, more gaming tables than you will see this side of Las Vegas, In fact we have a Las Vegas within the complex. The tour will include a buffet style lunch and hours of fun. Duration 5/6 hours

A visit to Anglesea Wednesday 10th September Saturday 12th September

Anglesea or the "Surf Coast" is known for its great range of terrestrial orchids, September is the time to visit. The groups will be small (we are very protective of our native flora), a morning visit to one site, a bush barbeque lunch, and then to another area of interest. The guides will be the best in the business and know the area like the back of their hands. Not to be missed.

Duration 6 hours

Each of the trips will be duplicates... so why not do two, one Wednesday and one on Saturday
