## President Report 2009

In 2008/2009 the club has held Four (4) successful shows, Ten (10) meeting nights with very good speakers, early segments, and Four (4) bus trips and had Ten (10) great News Letters.

On and before meeting nights, members working hard in setting up and sending out Newsletters, the sales area, pots and ferts, library, placing out plant names and numbers, on the membership table, selling raffle tickets, removing tables, running the early segment and helping out in the Kitchen.

At our shows we have members working hard as stewards, in the Kitchen area, sales area, pots and ferts, on the door, selling raffle tickets, potting demonstration, advertising, setting up the stands, etc.

We have a new, great and updated web site thanks to the "Darkets".

Without all these members putting in their time and effort, the club would not be as great and successful as we have been. I would like to thank each and every one of you for your great effects through out the year.

Yes, we only have less than 170 days to go before the 18<sup>th</sup> AOC conference and the conference committee is working hard to make the conference a great success.

I would also like to thank the present Committee and Conference Committee for all their hard work over the last year.

Once again, thank you for all your help.

Anthony Scerri  
President

## Vale Howard Tozer

It is with deep regret that we must advise that Howard Tozer sadly passed away on the 21<sup>st</sup> March after a long battle with illness.

Howard was an AOC Judge and a member of Maribyrnong since 1992. Illness prevented Howard from attending meetings and shows over the last two years. His favorite orchids were Sarcochilus. He grew them very well, winning many awards at our Sarc shows over the years. He will be sadly missed.

Our sincere condolences are extended to his family.

### Membership Fees

Membership fees are now due and Eric will be taking renewal fees from members from the next meeting. The fees remain unchanged:

Junior \$ 8.00 (under 16 yrs)  
Single \$12.00  
Family \$15.00

This Newsletter will be the last newsletter you will receive unless membership fees are paid. The Fees were due at the end of February.

### Growing Competition

Please don't forget to bring your Sarcochilus seedling along to the meeting each month.

By bringing your seedling to the meeting, you will be eligible to win a prize at the end of the year.

Remember the rules for the seedling comp - only persons who are willing to join in and return their plants each month are eligible to purchase them. This is what was publicized, and this is what we expect of you.
